

New London Christian Preschool's Covid Policy for the 23-24 School Year

New London Christian Preschool will carry out mitigation strategies in an effort to keep all children safe and healthy. Rooms, toys and school supplies will be cleaned and sanitized regularly. Students will wash or sanitize their hands at the start of the day, as the occasion demands and prior to eating.

The New London Preschool will follow the recommendations of the Chester County Health Department and the Center for Disease Control for early childhood education settings. The preschool will be updating policies in accordance with any changes/updates in the recommendations.

By signing this document, you are stating that you understand that tuition refunds will not be possible this school year because we are a non-profit, self-sustaining organization completely funded by our tuition; that you understand the preschool policy will follow the recommendations of the health authorities in our area (CDC, CCHD) and that the preschool is not able to make any guarantees for continuous attendance.

*We will do our very best to make this year engaging,
exciting, educational and valuable.*

Please sign and return.
